(Code 913) - 1L | 10L

pH

1 2 3 4 5 6 7 **8** 9 10 11 12 13 14

Properties

Easily removes mineral deposits and grease. Extremely suitable for everyday use. Mild to skin. Safe to use on all types of surfaces. Cleans without streaks.

Dosage and Use

Depending on the contamination and surface dilute 2%-10% (1:50 to 1:10). Preferably, suitable for manual cleaning. Give the product time to work in. Then remove or spray with clean water. Using hot water increases the cleaning power.
