Ecostar Pro Range

NightSearcher

Energy Efficient High Powered Led Floodlights

New

Nightsearcher has a new range of 110V/240V LED lighting for industrial customers that use generators or require mains operated floodlighting. The new compact ECOSTAR Pro has been purpose built to work with LED giving more light output from a smaller sized casing ensuring it's now as robust and portable as all our battery operated models. They come in several sizes and light output to suit and require much less power to operate.

The extraordinary efficiency and performance over halogen means huge savings in running costs, they can be powered from long cable runs and off very small (1Kva) generators. They are IP65 rated for use in all weather conditions and the LED generates minimal heat so there is no cool down time required before they can be safely stowed away.

New slim design

ECOSTAR PRO
30W • 50W • 100W

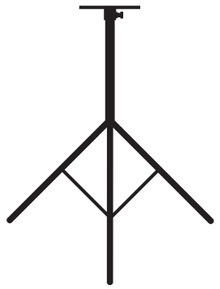
Key features:

- High powered SMD LED
- Robust Aluminium casing
- Beam Angle: 120°
- Adjustable bracket
- IP65 Weather Proof Rating
- Can operate on power sources between 45V-265V AC 50-60Hz
- Low heat emission = with no cool down required before storage
- Light small or large area
- 500mm cable
- High performance heat sink

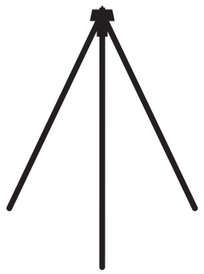
Lumens:
30w = 2400lm
50w = 4000lm
100w = 8000lm

TRIPOD OPTIONS

3.5M TRIPOD
Max. (H) 3.5m



1.9M TRIPOD
Max. (H) 1.9m



FIXED TRIPOD
Max. (H) 1.7m

Energy Efficient High Powered Led Floodlights

New

LINKABLE ECOSTAR PRO
30W, 50W + 100W

The ECOSTAR PRO 110V linkable is the lighting solution for the industrial, construction market and outdoor events.

Fitted with CEE 110V plug and socket allowing multiple lights to be linked together. Linkable versions enable convenient 'daisy chaining' and the LED energy efficiency allows very long cable runs.

ECOSTAR Pro Range are powered by SMD LEDs offering double the illumination with lower energy consumption compared to halogen providing excellent performance and a notably shadow-free illumination.

The linkable is also available with double headed bracket and 3.5m extendable tripod.
