Pulsar-Pro Rechargeable Range

NightSearcher

Hazard Warning Lights

The PULSAR Pro is a multi-mode, rechargeable LED warning lights; designed for traffic control, signalling, hazard awareness, zone demarcations and vehicle safety. Ideal for professional applications, including the Police, Fire and Highway Services. These small but robust units are manufactured in shock resistant plastic housing, are waterproof (up to 10 metres) and virtually indestructible (withstanding most vehicle weights if crushed). Built in magnets allow attachment to vehicles or any metal surfaces.
