SHIP SHAMPOO

Highly concentrated cleaner for gentle cleaning and maintenance of ship and deckhouse.

(Code 819) - 10L

pH

1 2 3 4 5 **6** 7 8 9 10 11 12 13 14

Properties

Removes all types of pollution, with a streak-free and shiny surface. Formulated with strong wax additives. Water is immediately repelled and a protective and glossy layer is formed on the treated surface. Hold while using the brushes clean and prevent scale build-up. Mild to skin. Preferably not in bright sunlight.

Dosage and Use

Depending on the contamination and surface dilute 2%-4% (1:50 to 1:25). Suitable for brush cleaning, high pressure cleaning, manual cleaning and foam cleaning. Preferably, give the product time to work in. Then remove or spray with clean water. Using hot water increases the cleaning power.
